REMARKS

In view of the Applicants' above election, Applicants respectfully submit that the Restriction Requirement has been satisfied. Accordingly, Applicants respectfully request examination of elected claims 1, 2, and 3/2 on the merits.

The Examiner made various objections to the drawings. Replacement sheets and marked up sheets are attached herewith. Figures 9a and 9b are being labeled "Prior Art." In Figure 5, reference character "F" is being changed to "f". The specification is being amended accordingly.

The Examiner objected to the specification in the description of the drawings. The Specification has been amended to clearly distinguish the short description of Figures 1 and 2 and Figures 5 - 6 and 7.

In the event that this paper is not considered to be timely filed, Applicants hereby petition for an appropriate extension of time.
